Major responsibilities of the IANPHI Tri-Secretariat (INS – InVS – Atlanta)

The IANPHI Executive Board at its 2011 Helsinki meeting and 2012 Berlin meeting defined the FRAMEWORK of the IANPHI Secretariat’s main responsibilities as:

1. Membership activities
2. IANPHI Foundation
3. Annual meeting
4. Executive Board
5. Advocacy and Fundraising
6. Those identified in the membership survey + listening exercise in Arusha (today)
Survey to Membership

Survey IANPHI membership

This survey aims to initiate a dialogue among IANPHI members regarding its mission and vision within the framework of the organization's standing before the current global health challenges. Each answer is required to submit your response. Please press 'submit' at the end of the survey. Thank you for your support!

1. The current mission statement of IANPHI is "Bolster global public health capacity by strengthening and linking the world’s national public health institutes to improve population health."
   To what extent do you agree or disagree with this mission statement?
   - Strongly agree
   - Agree
   - Neither agree or disagree
   - Disagree
   - Strongly disagree
### Survey to Membership

3. How do you perceive the following areas as added services that IANPHI offer its members. Mark your choice using the following scale from 1 to 4....

Positioning IANPHI within Global Public Health

- Identify and increase added values for Stakeholders (members, clients and other interested parties)
- Facilitate opportunities for innovative scientific collaboration and training exchange programs within our network members
- Ensure long-term financial sustainability through formal business models, novel strategic planning and strategic partnership through our network
- Identify areas of effective intervention and implement successful models
- Set a footprint in the global health arena: WE WANT TO BE A STRATEGIC KEY PLAYER IN THE GLOBAL NETWORK ADDRESSING PUBLIC HEALTH CHALLENGES

INSP – InVS – Atlanta
1. **Membership: Added value**

1. Assist in the **evolution of public health surveillance**, using contemporary methods (e.g. NCDs, Epidemic intelligence, etc.)

2. Develop **new multi-disciplinary partnerships** to improve Health Information Systems and laboratory networks.

3. Integrate **novel educational models** for public health workforce development

4. Incorporate contemporary platforms for efficient **exchange of information and experience** among IANPHI members, through:
   - Online forums for member institutes and stakeholders.
   - Electronic dissemination (IANPHI Website, Twitter, Facebook, other)
   - In-person and virtual Regional workshops, meetings and work groups

5. **Listening exercise** with stakeholders and in particular with members

*INSP – InVS – Atlanta*
2. **Strengthen the IANPHI Network**

Increase IANPHI’s reach and impact within NPHIs and countries:

- Broaden engagement with senior leaders from member institutes to develop specific areas of collaboration among network members.

- Identify major Stakeholders to target programs with corresponding IANPHI members.

- Seek new members and associate members to invigorate and strengthen the IANPHI network.

- Promote the formation of thematic working groups
3. Annual Meeting

1. Maximize global and regional **impact of IANPHI meetings**:  
   ✓ Strategically use the meetings to strengthen advocacy and partnerships  
   ✓ Invite key partners, donors and stakeholders to meetings  

2. Implement strategies to **increase meeting attendance**:  
   ✓ Engage member participation in developing Meeting Agendas  
   ✓ Re-activate the Annual Meeting Committee co-chaired by host country to enrich meeting content  
   ✓ Engage members to participate in sessions that foster open debate and lively interaction on key issues for NPHI

3. **Promote in-kind contributions** to help sponsor annual meetings:  
   ✓ Implement sustainable business models to meet annual fundraising targets.  
   ✓ Create a tiered sponsorship model (e.g. gold, silver bronze, etc.)
4. Executive Board

1. Promote and coordinate the organization of EB meetings and teleconferences
2. Support the EB to elaborate and implement actions resulting from EB and General Assembly meetings
3. Bring ideas to EB to strengthen IANPHI-network (regional + global)
4. Strengthen communication between the EB and IANPHI members:
   ✓ Emails
   ✓ Newsletters
   ✓ Official Website
   ✓ Twitter
   ✓ Facebook
   ✓ Annual meeting minutes and recommendations

*INSP – InVS – Atlanta*
5. Advocacy and Fundraising

**ADVOCACY**

1. Promote international recognition and partnership.
   - Map out key global and regional organizations to promote IANPHI
   - Ensure IANPHI representation in key meetings attended by members
   - Develop effective strategies to forge new partnership activities
   - Establish goals for the anticipated outputs with cooperative agreements with WHO, AFRO, PAHO, AFENET, WFPHA, etc.
   - Create practical agreements with Stakeholders to provide added benefits for members
5. Advocacy and Fundraising

ADVOCACY

2. Strengthen impact and reach of communication and advocacy actions.

- Implement strategies that reinforce the importance and impact of the NPHI roles and contributions within their countries.
- Increase international recognition of NPHIs through peer-reviewed journal articles or books written by IANPHI members.
- Execute a bi-annual survey to assess added values and services for members.
5. Advocacy and Fundraising

**FUNDRAISING AND SUPPORT**

1. Obtain funds and in-kind support to raise $100,000 per year for Annual and regional meetings.

2. Support NPHI - to - NPHI cooperation and joint application for funding, including technical consultations, long-term collaborative projects, mentorships, training, etc.

3. Pursue fund raising and exchange negotiations with prestigious international foundations and stakeholders.
