# PUBLIC HEALTH RESPONSE TO HUMANITARIAN CRISES

**Annual Meeting**  
Networking to address  
global health challenges

## ► For Consideration

- Should NPHI be engaged in the PH response to humanitarian crises?
- How should/can NPHI contribute to humanitarian crises?
  - Country level/
  - regional/south to south/international networks
- What role IANPHI?
  - Coordination
  - Liaison on behalf of IANPHI members
