22:00	Departure by bus to the Elilly International Hotel	

Programme Day Three

THURSDAY 5 DECEMBER		
08:30	Departure by bus from the Elilly International Hotel to the meeting venue	Reception hall
09:00 – 09:15	Registration	
09:15 – 09:45	<p>Introduction to the concurrent sessions 3 A, B & C</p> <p>How can IANPHI and WHO support NPHIs in strengthening public health systems through partnerships</p> <p><i>Building on a proposal for a joint IANPHI-WHO action plan, three concurrent sessions will explore how WHO, IANPHI and relevant partners can collaborate.</i></p>	Nelson Mandela Hall

	<p>Each concurrent session deals with one of the three strategic priorities from the WHO's 13th General Programme of Work; achieving universal health coverage, addressing health emergencies and promoting healthier populations. For each, three key questions will be explored:</p> <p>a) What capacity/experience do NPHIs currently have to address this issue b) How might NPHI collaborate to learn from each other and build capacity c) How can WHO and IANPHI best complement each other to support NPHIs to address this issue – Building on IANPHI's tools for knowledge production, sharing expertise and technical cooperation</p> <p>Moderator: Jean-Claude Desenclos, Secretary General, IANPHI</p>	
09:45– 11:00	<p>Concurrent session 3A Working session on Universal Health Coverage</p> <p><i>This session will develop a better understanding for IANPHI, for WHO and for partners of how NPHIs can contribute to achieving Universal Health Coverage. Participants will take stock of what is currently done and what more can be done to work towards UHC.</i></p> <p>Moderator: Anne Bergh, Director for Global Health, Norwegian Institute of Public Health, Norway</p>	Nelson Mandela Hall
09:45 – 11:00	<p>Concurrent session 3B Addressing Health Emergencies</p> <p><i>Addressing health emergencies at country level to ensure global safety is a WHO priority. This session aims to develop a good understanding of how WHO and NPHIs can collaborate through IANPHI to address health emergencies at country level. Participants will discuss the International Health Regulations' core competencies in terms of NPHI scope of functions and national priorities.</i></p> <p>Moderator: Neil Squires, Director of Global Public Health, Public Health England, United Kingdom</p>	Small Conference Hall 2
09:45 – 11:00	<p>Concurrent session 3C Promoting Healthier Populations</p> <p><i>Building on the concurrent session 2, this session will look at how NPHIs can collaborate together and with WHO. Moreover, this session will aim to identify the comparative advantages of WHO and NPHIs when working with different stakeholders through intersectoral collaboration.</i></p> <p>Moderator: Jean-Claude Desenclos, Secretary General, IANPHI</p>	Multipurpose Hall
11:00 – 11:30	Coffee break	Lobby Area A
11:30 – 12:30	<p>Concurrent Session 4 Antimicrobial resistance – global and regional initiatives projects</p> <p><i>In this session, the Africa CDC efforts to control antimicrobial resistance and three multi-country initiatives will be presented. Synergies and complementarities between these initiatives will be discussed.</i></p> <p>Moderator : Victor Munyongwe Mukonka, Director, Zambia National Public Health Institute</p> <p>Panel:</p> <ul style="list-style-type: none"> ✓ Africa CDC efforts to control Antimicrobial Resistance and Advance One Health, Jay K. Varma, Senior Advisor, Africa CDC ✓ ICARS, the International Centre for Antimicrobial Resistance Solutions, Per Henriksen, former chief veterinary officer, senior consultant ICARS, Denmark ✓ The African Network for improved Diagnostics, Epidemiology and Management of Common Infectious Agents (Andemia), Angela Fehr, Senior Researcher, Robert Koch Institute, Germany ✓ The Global Research on Antimicrobial Resistance (GRAM) project, Catrin Moore, Research Group Leader in the Global Burden of Antimicrobial Resistance, University of Oxford, United Kingdom 	Nelson Mandela Hall
11:30 – 12:30	<p>Concurrent session 5 Influenza – 10 years after the H1N1 pandemic – are we prepared for the next Infuenza pandemic?</p> <p><i>In this session key questions of pandemic flu preparedness will be explored. This will include the role of public health agencies as part of national responses as well as how we can support the global response to the next pandemic. Institute Directors from several different countries will contribute to ensure the discussion is relevant to all.</i></p> <p>Moderators: Jean-Claude Desenclos, Secretary General, IANPHI and Paul Cosford, Emeritus Medical Director, Public Health England, United Kingdom</p> <p>Panel:</p> <ul style="list-style-type: none"> ✓ Fernando de Almeida, Chairman of the Executive Board, National Institute of Health Dr. Ricardo Jorge, Portugal ✓ Georges Alain Etoundi Mballa, Director of disease control, Ministry of Public health, Cameroon ✓ George Fu Gao, Director General, Chinese Center for Disease Control and Prevention, China ✓ Bashiruddin Noormal, Director General, National Public Health Institute, Afghanistan ✓ Felix Rosenberg, Director, Itaborai Forum: Politics, Science and Culture in Health, Oswaldo Cruz Foundation, Brazil ✓ Natalie Mayet, Deputy Director, National Institute for Communicable Disease ✓ Minwon Lee, Director General, Center for Public Health Emergency Preparedness and Response, Korea 	Small Conference Hall 2
12:30 – 13:30	Lunch	Multipurpose Hall
13:30 – 14:30	<p>Plenary session 5 CHAMPS Child Health and Mortality Prevention Surveillance: data to action at multiple levels</p> <p><i>The CHAMPS session will provide an update on child mortality surveillance progress and role of NPHIs and subnational public health authorities in using the data to support action for improving child survival.</i></p>	Nelson Mandela Hall

	<p>Moderators: Ebba Abate, Director, Ethiopian Public Health Institute, Ethiopia and Ellen Withney, Director, IANPHI US Office, USA</p> <p>Panel:</p> <ul style="list-style-type: none"> ✓ Elizabeth Oele, Medical epidemiologist, Department of Health, Kisumu County, Kenya ✓ Natalie Mayet, Deputy Director, National Institute for Communicable Disease, South Africa ✓ Eduardo Samo Gudo, Deputy Director General, National Institute of Health, Mozambique ✓ Meerjady Sabrina Flora, Director, Institute of Epidemiology Disease Control and Research, Bangladesh 	
14:30 – 15:30	<p>Plenary session 6 Financing of NPHIs</p> <p><i>This round table discussion will explore to what extent the funding sources of an NPHI may have an impact on their activities, on their level of autonomy to develop a NPHI strategy and work programme, on their engagement in partnerships. Moreover, this session will discuss what methods and tools are used by NPHIs to maximise investments in support of improving population health.</i></p> <p>Moderator: Annemiek von Bolhuis, Deputy DG and Director Public Health and Health Services, National Institute for Public Health and the Environment, The Netherlands</p> <ul style="list-style-type: none"> ✓ Sustainable investment in health: A case study from Wales, Quentin Sandifer, Executive Director, Public Health Wales <p>Panel:</p> <ul style="list-style-type: none"> ✓ Myriam Sneyers, Sciensano, Belgium, ✓ Julio Rodrigues, Executive administrator, National Institute of Public Health, Cabo Verde ✓ Vladyslav Zbanatskyi, Public Health Center, Ukraine ✓ Dioniso Cumba, President INASA, Guinea Bissau (tbc) ✓ Hajer Skhiri, Director, National Health Institute, Tunisia 	Nelson Mandela Hall
15:30 – 16:00	Coffee break	Lobby Area A
16:00 – 17:00	<p>Plenary session 7 Conclusions from the concurrent sessions 3 A, B & C: How IANPHI and WHO can jointly support NPHIs in strengthening public health systems through partnerships.</p> <p><i>This plenary session will discuss to what extent NPHIs are key agents in strengthening public health systems and achieving WHO strategic priorities. A key focus of this session will be to mobilise support and identify next steps in the IANPHI – WHO Collaboration.</i></p> <p>Moderator: Andre van der Zande, President, IANPHI and Flora Meerjady Sabrina, Vice president, IANPHI</p> <p>Panel:</p> <ul style="list-style-type: none"> ✓ Jean-Claude Desenclos, Secretary General, IANPHI ✓ Anne Bergh, Director for Global Health, Norwegian Institute of Public Health ✓ Stella Chungong, Director, Country Health Emergency and IHR, World Health Organization ✓ Neil Squires, Director of Global Public Health, Public Health England, United Kingdom 	Nelson Mandela Hall
17:00 – 17:15	<p>Closing session Closing of the IANPHI 2019 Annual Meeting</p> <ul style="list-style-type: none"> ✓ Ebba Abate, Director, Ethiopian Public Health Institute, Ethiopia ✓ Felix Rosenberg, Director, Itaborai Forum: Politics, Science and Culture in Health, Oswaldo Cruz Foundation, Brazil ✓ Andre van der Zande, President, IANPHI 	Nelson Mandela Hall
