

## 2020 IANPHI Annual Meeting - Agenda

Tuesday 1 December / 13:30 – 16:30 CET

Wednesday 2 December / 13:30 – 16:30 CET

Tuesday 1 December	
13:30 - 14:30	<p><b>IANPHI Annual General Assembly</b></p> <p>This year, this social occasion will take place virtually via Zoom. To facilitate the voting process, members were invited to express their vote previous the meeting, therefore this year, the General Assembly will be the opportunity to present the Activity Report 2020, announce the results of the different votes, highlight and recognise important projects among the Regional Networks, introduce the other sessions of this virtual Annual Meeting and finally take time to exchange among the members of the IANPHI network.</p>
15:00 - 16:30	<p><b>Renewing IANPHI's Strategic Vision And Moving Towards Implementation</b></p> <p><i>Discussions with the IANPHI membership and partners - presentation of the strategy and open discussion</i></p> <p>This session will present the work developed over 2020 to renew IANPHI's strategic vision for the next five years. IANPHI's members and partners will be able to discuss the five strategic priorities proposed by IANPHI's strategic working group. In these exceptional times for public health and wider society, a new strategic vision and key enabling actions will direct IANPHI's support to members throughout these upheavals. The open discussion will offer the opportunity to express views on the strategy and its implementation, a summary of the session and the final remarks of the members and partners on the strategy will be presented on the next day, during session 4.</p>
Wednesday 2 December	
13:30 - 15:30	<p><b>Lessons Learned from NPHI responses to the COVID-19 outbreak</b></p> <p>COVID-19 has been the major challenge for NPHIs and societies worldwide. The pandemic has placed many institutes centre stage in supporting national responses. IANPHI Regional-level network meetings have detailed the challenges experienced by NPHIs and the strategies employed to respond to COVID-19. This session will explore the preliminary lessons learned from IANPHI members in their response to COVID-19 in the first year of the pandemic. As responses are still evolving, the session will also enable NPHIs to discuss how they continue to adapt while entering in a second year of the pandemic.</p>
16:00 - 16:30	<p><b>Renewing IANPHI's Strategic Vision And Moving Towards Implementation</b></p> <p><i>Discussions With The IANPHI Membership And Partners - Summary Of Feedback And Establishing Next Steps</i></p> <p>Following on from Session 2's presentation and discussion of IANPHI's new strategic vision, participants will be able to make final remarks on the proposed strategy. Additionally, the next steps will be detailed, including consultations with IANPHI members and partners before the strategy is made public early 2021.</p>
