

2021 IANPHI General Assembly Agenda

Wednesday 1 December / 13:30 – 15:00 Paris time

A high point in the IANPHI calendar, the General Assembly meeting allows members to meet, discuss and take important decisions for the coming year. During the session the IANPHI leadership team will present the 2021 Activity Report, announce the results of the vote taking place in November, and highlight and recognize milestones and successes of member institutes from each regional network.
