Concurrent session 3A

Working session on Universal Health Coverage

Moderator: Anne Bergh, Director for Global Health, Norwegian Institute of Public Health
Objective:
This session will develop a better understanding for IANPHI, for WHO and for partners of how NPHIs can contribute Universal Health Coverage.

Outcome: The conclusions will feed into the IANPHI-WHO Joint Action Plan.
Questions for discussion

1/ What experience do NPHIs currently have in contributing to UHC? What is the role of your institution in the work for UHC?

2/ How do you relate to and collaborate with WHO on Advocacy?
Questions for discussion

3/ Are there examples of NPHIs working together to address UHC, within or outside of the IANPHI framework?
Questions for discussion

4/ Are there overarching functions that your NPHI deliver on that contributes to synergies between UHC the other two main agendas, namely health promotion and health protection?

5/ What are some concrete examples of activities to achieve UHC where IANPHI, WHO and partners could collaborate to support NPHIs?
Questions for discussion

6/ Which functions of your NPHI would you invest in to get a double or triple effect, by contributing not only to UHC, but also to health protection and/or health promotion in your country.

7/ What role does your NPHI play in developing PH workforce ensuring quality service in the health system?
