OPENING REMARKS FROM WHO COUNTRY REPRESENTATIVE RWANDA

"To achieve universal health coverage and health security around the world, we must coordinate our efforts to support all countries in building the public health capacities needed to protect and promote health and achieve equitable access to services. The work of IANPHI and its member institutions and the impactful partnerships they forge supports our shared ambition of sustainable and resilient health systems that can deliver Health for All."

Dr. Tedros ADHANOM GHEBREYESUS
WHO Director-General

Dr. Raji Tajudeen,
